

- All alleys shall be free and clear of trash, garbage, weeds, litter, and other hazardous materials from obstructing the access of the alley. The responsible party shall be the person owning, occupying or having control of the property bordering/adjoining the alley.

Facade Treatment

- Any ground mounted mechanical equipment, including but not limited to: air conditioning units or heating pumps, shall be visually screened from the public view.
- Plywood, plastic sheeting, tarp, aluminum foil, or similar materials shall not be used to cover windows and other openings unless approved by the Department of Building and Safety on a temporary basis.

Fences and Walls

- All fences and walls shall be kept free from graffiti, undergrowth or weeds. All fences and walls shall be of material and colors that are compatible with the architectural design of the buildings in the neighborhood. No fence or wall, including decorative fence, shall obstruct a public street, intersection, sidewalk or right-of-way either physically or visually.
- Chain link fences shall not be erected or constructed in any front yard or side yard that is visible from any public area for residentially zoned lots less than 1/2 acre net in area.
- No fence, wall or portion thereof, shall be constructed or altered to add razor wire, barbed wire, metal spikes, broken glass, readily flammable material or other similar material.
- Any approved fence for a temporary use or for a swimming pool shall be exempt. All fences and walls, including chain link fences, that are pre-existing on, or approved prior to, the effective date shall be exempt from this provision.

Temporary Exterior or Holiday Display

- Any temporary exterior or holiday display shall not impede vehicular or pedestrian traffic on any street, sidewalk, or right-of-way. Any temporary exterior display or holiday display shall be allowed for a period not to exceed sixty (60) consecutive days.

Where do I Call?

COMPLAINTS: Call or visit your local Riverside County Code Enforcement Office.
<http://www.rctlma.org/building/enforcement.html>

Complaints that represent an immediate health or safety hazard will be given priority. If you have a specific problem, please call:
