**Serve Those That Served Us:
Understanding Veteran Resources and
Benefits.**

Why attend this information workshop?

Veterans live in every community in our country. Many of them in rural areas, like Blythe and its surrounding areas. Many of our Veterans are unaware of the resources and benefits available to them through the Department of Veterans Affairs and the State of California. This information workshop will educate community leaders and service providers on resources and key contacts to assist Veterans they encounter obtain their benefits.

Who should attend?

- Social Services Providers
- Health Care and Mental Health Care Providers
- Law Enforcement Personnel
- College and University Staff
- Church and Faith-Based Community Leaders
- Anyone who serves Veterans in the community
